

CROYDON AMPHIBIANS SWIMMING CLUB SWIM SCHOOL

ADULT and OVER 12 SECTION

At CASC Swim School it is our aim to offer high quality lessons to all those who wish to learn to swim or improve their stroke.

We currently offer lessons on Wednesday evenings to those swimmers for whom our teaching classes are not appropriate. We are able to accommodate non-swimmers to those who are undertaking triathlons etc. and from any age.

We use Thomas More Teaching Pool as the venue for these lessons as it is quiet and distraction free.

For further information about what we are able to offer, please contact Jackie Tonks, Senior Swim School Teacher Jackie.casc@btopenworld.com
