

# Luke Lawless A Gala

## At Dorking Leisure Centre

This was our second relay invitational of the season and with our victory at the Beacon Relay Gala many thought we could take the trophy home. We were going to compete at Epsom District (winners in 2005 – 2007), Dorking, Godalming and Sutton & Cheam.

As the first 13 events passed CASC had built a commanding lead over the other clubs with an advantage of 13 points and 7 1<sup>st</sup> places. To event 26 we were still leading and this time had extended our lead to 20 points over Epsom District but unfortunately the competition had to end abruptly due to a problem with the filters and pump. This was a real shame for CASC as I have no doubt that we would have won at the end of the night.

All in all we had 14 PB's, 14 1<sup>st</sup> places, super team spirit and wonderful encouragement from the parents. No trophy was awarded on the night and there are hopes of finishing the gala at another date later in the season (June/July).

### Points were as follows:

<b>C.A.S.C.</b>	<b>108</b>
Epsom District SC	88
Sutton & Cheam	72
Dorking SC	71
Godalming	42

Many thanks to our judge on the evening Bob Kavanagh, time keeper Peter Wrench, to Fiona and Lesley for helping me get the kids up and ready for their races.

Well done kids.
