

CASC Teaching Classes Newsletter Easter 2010

Dates for your Diary

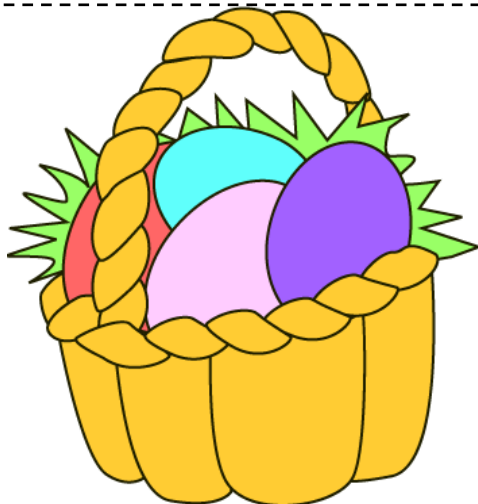

We will be having two galas next term

Saturday 3rd July for classes Beg-3

Saturday 12th June for Classes 4+

Entry forms to follow next term

We also are running an Easter Crash Course see overleaf for details

It is that time of year again where we are collecting the Tesco sports vouchers these can be handed to your teacher last year we gained clipboards and stopwatches which were much needed and used at our galas thank you to all who collected the vouchers

Well done to all swimmers this term we have seen lots of improvements in your swimming. I have been receiving some great comments from both teachers about swimmers and from parents about teachers, so well done to all and keep the comments coming.

Thank you to all who came to the party with Lisa the Disco Diva, who kept you all entertained with games, dancing and Mummy Wrapping! I think you enjoyed it as much as we did. It was a fab party and we look forward to organising another in the future.

We now have the pool space to offer one to one and two to one lessons if you are interested get in contact with Jackie

Please make sure that you read the essential info as some swimmers and parents are not complying with these rules

Some parents/swimmers are ignoring the signs regarding no outdoor foot wear in the changing rooms at Thomas More, the rule is there for a reason, mainly health and safety. In future any person found breaking this rule will be asked to mop the changing rooms

Parents please remember that all children develop at different rates and different ages, at CASC all children are assessed on a continual basis and all lessons contain at least one part of that classes criteria which the swimmer needs to complete in order to progress onto the next class

The ASA (Amateur Swimming Association) has introduced a new qualification ‘Young Aquatics Organiser Award’ it is aimed at 14-18 year olds who are developing their leadership skills and wish to become involved in either administration, teaching, coaching and/or officiating of aquatic activities. CASC currently has two tutors qualified to run this new course and we are looking at running this course in the near future if you know of anyone who may be interested in taking this qualification get in touch with Jackie Tonks
