

HEAD TEACHER (SWIM SCHOOL)

The Head Teacher of the Swim School works with the Committee and Swim School Co-ordinator to ensure the effective running of the teaching division of the club. As well as providing a model of good practice, the head teacher is responsible for identifying any changes in provision that may be necessary to keep the Swim School successful.

All coaches and teachers work to support the CASC Codes of Conduct, Child Welfare and related documents and to ensure equality of opportunity to those wishing to participate in the sport.
