

SQUAD COACH

The squad coaches, under the direction and guidance of the Chief Coach, work with specific squads to develop age and progress related targets according to the squad criteria and long term development plans. They seek to enthuse and motivate swimmers in addition to helping them to achieve a high standard of competitive performance.

Each coach will have a specific focus for development in line with their individual squad.

All coaches work to support the CASC Codes of Conduct, Child Welfare and related documents and to ensure equality of opportunity to those wishing to participate in the sport.
